

Biographical & Historical (B&H) Files

This collection contains clippings, magazine articles, and some unpublished articles on various subjects filed alphabetically. These files are research files and are not accessioned into the permanent collection. The material was collected by volunteers and the museum over the life of the archives and continues to grow as more submissions come in.

Descriptive Summary

Creator:	The Petroleum Museum Archives Center
Title:	Biographical & Historical (B&H) Files
Dates:	1850 - Current
Abstract:	This artificial collection contains news clippings, magazine articles and various other materials donated to the archives from numerous sources and covering many different subjects, mostly petroleum or Midland/Odessa related. These files are active and still accruing.
Quantity:	15 linear feet
Identification:	not accessioned/no number
Repository:	The Permian Basin Petroleum Museum

Scope and Content

This artificial collection was created in the Archives for general research on numerous subjects. The material was donated by volunteers over the years or collected by the Archive's staff. Material is continuously added to the collection as it is accrued. The material in this collection is not accessioned into the Museum's Permanent Collection, but was kept because of its informational value.

The files are arranged alphabetically by topic and contain news clippings, magazine articles, some unpublished writings by various authors, pamphlets, calendars and other various informational materials. The subjects are varied but are mostly concentrated on the petroleum industry and people in the industry, local Midland and Odessa history, as well as county history for counties in the Permian Basin.

Restrictions

Restrictions regarding access

Library and Archive materials must be used in the library reading room. Prior appointment is preferred but not absolutely necessary.

Open for Research - * Some Collections will be restricted*
