

**DO NOT CITE**

## ***Mitch Mayborn Collection***

This collection contains prints, clippings and other documents related to the publication of the New Literature and New Tools sections of *Drilling*, a trade magazine, from 1981 through 1983 which is mostly organized by month and then by section. The collection also contains drawings, manuscripts and other documents related to the oil industry.

---

### **Descriptive Summary**

<b>Creator:</b>	Mitch Mayborn
<b>Title:</b>	Mitch Mayborn Collection
<b>Dates:</b>	1981 – 1983
<b>Abstract:</b>	Collection contains chiefly prints, clippings and other documents related to the publication of the New Literature and New Tools sections of <i>Drilling</i> from 1981 through 1983. It also contains drawings, manuscripts and other documents related to the oil industry.
<b>Quantity:</b>	5 boxes (4.5 linear feet)
<b>Identification:</b>	90-01 Mitch Mayborn Collection
<b>Repository:</b>	The Permian Basin Petroleum Museum

---

### **Scope and Content**

This collection contains prints, clippings and other documents related to the publication of the New Literature and New Tools sections of *Drilling*, a trade magazine, from 1981 through 1983 which is mostly organized by month and then by section. The collection also contains drawings, manuscripts and other documents related to the oil industry.

---

### **Restrictions**

#### **Restrictions regarding access**

Library and Archive materials must be used in the library reading room. Prior appointment is preferred but not absolutely necessary.

#### **Open for Research - \* Some Collections will be restricted\***

No materials within the collection are to be withheld from researchers. However, copyright permissions are the responsibility of the researcher.

## **Index Terms**

The subject headings used by the Southwest Collection/Special Collections Library are derived from the Library of Congress and/or locally developed.

### **Subjects:**

Drilling procedures, equipment and literature  
Oil field humor

---

## **Related Material**

*Drilling* (magazine): 1939 - 1985

---

## **Administrative Information**

### **Preferred Initial Citation:**

Mitch Mayborn Collection, The Petroleum Museum Archives and Library Center, 1500 Interstate 20 West, Midland Texas 79701.

### **Preferred Subsequent Citations:**

Mitch Mayborn Collection, The Petroleum Museum.

### **Provenance:**

Originally created and organized by Mitch Mayborn during his employment with *Drilling*. Donated to the Library & Archives Center in 1990.

### **Processed By:**

Lauren Tyner, 2008-2009.

### **Note:**

Administrative records and archival inventories are not historical documents. Therefore, they should not be cited. The biographical and historical information contained in this document is meant to be a tool to aid the researcher and is not guaranteed to be accurate.
