

## Something for Everyone!

We have opportunities for any schedule or interest! Art enthusiasts can guide visitors through world class paintings; history buffs can help preserve and catalogue historical documents and artifacts; animal lovers can socialize an iguana or pet a prairie dog; dramatists can bring history to life through an interactive puppet show; educators can help with tours and programs; and socialites can greet guests from all over the

Volunteer, Tom Chandler helps during Family Science Night.

## Join the Santa Rita Club

The Santa Rita Club is the volunteer organization affiliated with the Petroleum Museum since 1975. Volunteers greet visitors in the Museum Store, facilitate stations at Family Science Night, help digitize historic photographs and lead tours of the Museum. The club also hosts three social events per year, encouraging members to get to know each other, as well as Museum staff. Joining the Club offers a great opportunity to meet new people and enhance your knowledge of the Permian Basin, all while having fun!

For more information on becoming a Santa Rita member, please contact the Petroleum Museum at (432) 683-4403.

THE PETROLEUM MUSEUM

## Make a Difference!

## Become a Volunteer!

## Education

**Docents:** Do you want to be part of a powerful learning experience? From Geology to Physics to Texas History to Animals, help us educate the community! Come give tours once a month or every day, whatever your schedule allows. You can also help with our educational outreach programs. Become a docent and make learning fun!

**Puppeteers:** Every fall we teach area 4th grade students about the history of the Permian Basin through an interactive puppet show. Join us for a dramatic break in your week!

## Education

**Special Programs:** The Museum hosts special educational programs throughout the year that you can help with! **Family Science Nights** are free to the public and you can help by facilitating a themed activity or experiment. **Scout Camp-Ins** are overnight events that help scouts earn a badge or patch as they spend a fun night at the Museum. **Summer Science Classes and Movie Camps** are great opportunities to get involved during the summer and educate kids of all ages! **Halloween Tricks & Treats** is a fun evening event for the entire family on Halloween night.

**To acquire more information about becoming a volunteer, call (432) 683-4403 or visit [www.petroleummuseum.org](http://www.petroleummuseum.org).**

## Archives & Collections

Volunteers in the Archives & Collections Department help preserve the rich history of the petroleum industry and the Permian Basin. We will help match you to your perfect job depending on your abilities, interests, and schedule. Photographic cataloguers, archives processors and scanners are always needed and we love to teach new skills!

## Admissions & Museum Store

Meet and greet visitors from all over the world! Volunteers welcome visitors, work the cash register and help re-stock merchandise. The Museum is open Monday through Saturday 10:00 am to 5:00 pm and Sunday 2:00 pm to 5:00 pm. You can work once a month or once a week, whatever fits your schedule!
