

Innovator's Society

The Innovator's Society is a dynamic group of supporters of the Permian Basin Petroleum Museum in their 20's and 30's - young professionals, graduate students, Midland natives, new residents, oil and gas industry, and everyone in between.

Innovator's Society members enjoy exclusive social, cultural, and educational events planned by The Petroleum Museum. Proposed events throughout the year include special tours, cocktail parties, casual outdoor events, and exclusive museum events. In addition, you can volunteer to help support fundraisers and programs at The Petroleum Museum.

The Innovator's Society also offers exclusive opportunities to learn and experience the petroleum and energy story in a social setting with friends. You will receive one full year of membership benefits at The Petroleum Museum, and a group with whom to share the experience.

Annual Membership Dues:

Individual - \$100

Family - \$150

Annual Membership Benefits Include:

- Exclusive invitations to Innovators Society events.
- Unlimited free admission to the Museum for members and their guests.
