# PETROLEUM MUSEUM

Thank YOU for making this year the best so far! 2016 has been one of reflection on what we accomplished over the past 40 years, and it has been a year of new beginnings with the grand re-opening of the refurbished petroleum exhibits.

Kindergarteners through college students explored the world of robotics, teachers from around the Permian Basin attended informative and educational workshops, local colleges and universities used the Museum as an educational resource for a variety of classes and area adults were engaged by world-class speakers. YOU can help the every generation see the tremendous value in what the Museum has to offer!

Industry Professionals, the local community and visitors from all over the world came to learn about the petroleum industry and left with a new appreciation for whom and what we stand for. YOU can continue the legacy of all the Permian Basin represents.

We hope you will consider a donation to the Permian Basin Petroleum Museum. Your donation will be used for meeting the Museum's most pressing needs. If you choose to donate privately, check for matching funds through your employer. We are your advocate to all who experience, discover and realize how important the petroleum industry is to all of us. Best wishes to you and your family this holiday season.

With deepest gratitude,

**Mark Philpy**  
President, Board of Trustees

**Kathy Shannon**  
Executive Director

# 2016 was the best so far!

Throughout the year, both children and adults were engaged by all the Petroleum Museum has to offer!
