The heart is a pump that uses oxygen-rich blood to maintain the body's heartbeat. The Petroleum Museum, just like a heart, needs a strong *heartbeat* to stay healthy. Our endowment is that strong heart that keeps us "pumping". **You** have helped us build that healthy heart into a more than \$6 million fund that supports the Museum's operating budget.

As we continue to plan for a healthy future, your *infusion* assures that the Museum will continue to grow, prosper, and become an even stronger community partner. With a strong history and an exciting future, the Museum continues to tell the petroleum and energy story and its impact on our lives. We work hard to ensure that every student discovers a passion for science and every visitor understands the petroleum industry.

Your infusion today ensures a healthy *heart* as well as a strong *heartbeat* tomorrow and for years to come – help us build our endowment with a *life-giving* donation today.

Consider a gift **in honor or in memory of someone** who has inspired or nurtured a dream for the future. Your gift will make a distinct difference in the Petroleum Museum's ability to continue its mission of offering a memorable and educational visitor experience. For questions contact Luanne Thornton at 432-683-4403 or lthornton@petroleummuseum.org.

Please complete and return the bottom portion with your tax-deductible contribution.
