NOTICE: WARNING CONCERNING COPYRIGHT RESTRICTIONS

The copyright law of the United States (Title 17, United States Code) governs making of photocopies or other reproductions of copyrighted materials.

Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that they photocopy or reproduction is not to be "used for any purpose other than private study, scholarship or research." If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of "fair use," that user may be liable for copyright infringement.

The institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law.

My signature indicates that I have read and understood the Copyright Notice on this form. All photoduplication orders are accepted at the Center's discretion. Photocopies of original materials may not be transferred to any other institution or individual without written permission. I further agree to defend, indemnify, and hold harmless the Petroleum Museum's Archives Center against all claims, demands, costs and expenses incurred by copyright infringement or any other legal or regulatory cause of action arising from the use of the Center's materials.
