Executive Director

Please join us for **Mys_ter_ies₊ AT THE Mus_eum_i**, an evening of madcap science on Thursday, August 20, 2015. This is NOT your kids science night. Put on your classiest cocktail attire with a mad scientist twist. Strap on your safety goggles, throw on a lab coat, and make sure that pocket protector is in place because we will be solving scientific mysteries by performing mind-**bl**owing experiments. No goggles, no lab coat, no problem; you can borrow ours. If you made it last year, you know how mad we can be. Don't miss this evening of exploration and experimentation!

This eccentric evening will include **m_ol_ec_ul_ar₊ gas₊t_ronom_y** catered by Mac's Catering, **Mix_ol_og_y** concocted by Willie Wilson and his crew, hands-on **+Sc_ienc_e Lab** stations, amazing **ex_h/b_i/t_ions₊** featuring authentic scientists, and a **+Sil_ent A_uc_tion** highlighting out of the ordinary, scientific items.

Your **gener_os_it_y** enables us to share the petroleum and energy story and its impact on our lives through interactive science education. Strengthening scientific **educ_at_ion** has been proven to produce more responsible citizens, create a stronger economy, and ensure future scientific research and development.

A summary of **s_pons_or₊s_hip** and **under_wr_it_ing** opportunities is enclosed for your consideration. Please return your commitment form in the enclosed envelope by June 26th to be included in event publications.

Maddeningl_y →Your_s,

J_oe de C_om_pi_egn_e
