

Maker Monday

Make Air Powered Fireworks

Materials:

- Straw
- Small Strip of Paper (~1.5x3.5 in.)
- Tape
- Curling Ribbon or Pipe Cleaners

Procedure:

1. Roll the paper strip loosely around the straw.
2. Tape the roll along the edge to keep it rolled.
3. Tape your “fireworks” decorations to the paper about .5 inch from the end.
4. Then fold over the paper on the end and secure it again with tape.
