2023 STEAM Sprouts Mini Camps

Go Camping (ages 4-5): STEAM Sprouts Go Camping will feature hands-on investigations that will engage students ages 4-5 to explore topics such as geometry, graphing, and the properties of materials while developing 21st Century Skills in critical thinking, communication, and collaboration.

Learn to Code (ages 4-5): STEAM Sprouts Learn to Code will feature hands-on investigations using LEGO Coding Express kits that will engage students ages 4-5 to explore early coding concepts such as sequencing, looping, and conditional coding, while developing problem solving, critical thinking, collaboration, and social and emotional skills.
