

2023 SUMMER SCIENCE CAMPS

Dive into the world of science at our Under the Sea Summer Science Camp for students ages 6 - 8. Students will explore the depths of the ocean through hands-on experiments, innovative projects, and engaging engineering challenges. This camp will be held June 14 - 16 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Explore the world of STEM (Science, Technology, Engineering, and Math) during our Mini Makers Summer Science Camp for students ages 6 - 8. Students will engage each day in hands-on STEM Challenges, creative 3D design, and much more. This camp will be held June 21 - 23 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Dig into the past at our Diggin' for Dinos Summer Science Camp for students ages 6 - 8. Students will travel back in time to learn about dinosaurs, fossils, geology, and more. Each day students will conduct hands-on experiments, creative projects, and collaborative activities. This camp will be held June 28 - 30 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Students ages 8 - 12 will explore the world of robotics during our LEGO Robotics Summer Science Camp. Each day students will engage with various LEGO Robotics equipment, innovative engineering challenges, and more. This camp will be held July 10 - 13 from 8:00 am to 12:00 pm each day. Pre-registration is required.

Students ages 8 - 12 will dive into the world of STEM (Science, Technology, Engineering, and Math) during our STEM-gineering Summer Science Camp. Students will explore 3D design and printing, engage in collaborative activities, inventive projects, and much more. This camp will be held July 24 - 27 from 8:00 am to 12:00 pm each day. Pre-registration is required.

Students ages 8 - 12 will channel their inner LEGO Master during our LEGO Mini Master: Dino World Summer Science Camp. Students will journey back in time as they engineer prehistoric creatures, conduct hands-on experiments, and much more. This camp will be held July 31 - August 3 from 8:00 am to 12:00 pm each day. Pre-registration is required.
