

2024 Summer Science Camps

Swing into the world of science at our Funky Physics Summer Science Camp for students ages 6 – 8. Students will explore mysteries of motion through innovative projects and engaging engineering challenges. This camp will be held June 11 - 13 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Explore the world of G -R -O -S - S! during our Grossology Summer Science Camp for students ages 6 – 8. Students will engage each day in hands-on experiments of everything gross from slime to growing bacteria. This camp will be held June 18 - 20 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Check in with your inner Van Gogh at The Science of Art Summer Science Camp for students ages 6 – 8. Students will explore the world of art by using science to create their own one of a kind masterpieces. Each day students will engage in art projects with a twist of science from pendulum painting to spin art. This camp will be held June 25 - 27 from 9:00 am to 12:00 pm each day. Pre-registration is required.

Calling all young detectives! Students ages 8 – 12 will explore the world of mystery during our CSI Summer Science Camp. Each day students will solve mysteries, crack codes, collect evidence, analyze fingerprints to help them piece together puzzles. This camp will be held July 9 - 10 from 9:00 am to 1:00 pm each day. Pre-registration is required.

Students ages 12 - 14 will dive into the world of STEAM (Science, Technology, Engineering, Art, and Math) during our Coding With Drones Summer Science Camp. Students will explore coding with drones while becoming the pilot as they learn to maneuver through an obstacle course, of their own design. This camp will be held July 16 - 18 from 9:00 am to 1:00 pm each day. Pre-registration is required.

Students ages 8 – 12 will channel their inner Champion during our Olympic Science Summer Camp. Students will explore the science behind all the Olympic events of this summer to bring home the gold! This camp will be held July 23 - 25 from 9:00 am to 1:00 pm each day. Pre-registration is required.
