

STEAM Sprouts - Sponsored by SM Energy

9:00 AM - 11:00 AM

Starlight Seekers - June 10-11, 2026

Blast off into a world of twinkling stars and glowing planets! In **Starlight Seekers**, our youngest explorers will discover the night sky through stories, hands-on activities, movement, and creative play. Campers will learn about the Sun, Moon, and stars while building, crafting, and exploring in a fun, age-appropriate environment that encourages curiosity, imagination, and early science skills.

Captain Tinker's Ocean Lab - June 17-18, 2026

Ahoy, little explorers! In **Captain Tinker's Ocean Lab**, campers dive into ocean fun as they explore sea creatures, bubbles, boats, and simple science experiments. Through stories, crafts, and hands-on play, kids will discover how scientists learn about the ocean—no swimming required!

Little STEAM Travelers - June 24-25, 2026

Pack your imagination! **Little STEAM Travelers** takes campers on a playful journey around the world using science, art, building, and storytelling. Each day brings a new “destination” filled with hands-on activities that encourage curiosity, creativity, and exploration.

Little Lab Detectives - July 8-9, 2026

Put on your detective hat! In **Little Lab Detectives**, campers investigate fun mysteries using their senses and simple experiments. Kids will observe, sort, test, and ask questions as they discover how scientists solve problems—one clue at a time!

Gadgeteers in Training - July 15-16, 2026

Get ready to build and tinker! **Gadgeteers in Training** introduces young engineers to simple machines, tools, and building challenges. Campers will design, create, and test their own inventions while developing problem-solving skills through playful construction.

Planet Pals - July 22-23, 2026

Let's take care of our planet! In **Planet Pals**, campers explore Earth through hands-on activities about land, water, plants, animals, and weather. Kids learn how to be kind to the Earth by discovering recycling, nature, and simple ways we can help our planet every day.
